

## TARTER TEEN TALK

By SHARON CLARK

February 10th Torrance High had one of the best auditions it has ever had. It featured Jean Durano, vocalist and Herman Mitchell, accompanist. Mr. Durano, who is from Haiti, has been in the United States for only two years. He sang many songs including some popular tunes and some of the good old standards such as "Cecilia" and "Louise." Mr. Durano really gave a finishing touch to his performance by singing many of the songs in either French, Spanish, Italian, or English. Mr. Mitchell, playing an electric guitar, made the show even better. The students proved to be very receptive to the program and the performers were called back for an encore.

Our clean campus campaign is still in full swing. It has worked out very well, and everyone has really cooperated. Our campus looks so much better.

The seniors are beginning to make serious preparations for graduation. Senior Announcements were shown last week, and the seniors have been trying to decide which one they want. This year has gone by so fast. There are only four months left until graduation, the climax for all seniors at THS.

Not many Friday the 13th days come around, so the Student Council decided to take advantage of it by sponsoring a "Friday the 13th Dance" to be held in the school cafeteria after the Redondo-Torrance basketball game. It proved to be a lot of fun and no one who came had bad luck even if it was Friday the 13th.

Don't forget about the 1959 Variety Show, "The Four Star Spectacular," given by the students of Torrance High. It promises to be one of the outstanding shows of this year.

Finalists for the "My True Security Contest" for THS were Sally Mason, Noni Johnson, and Charlotte Percy. Fine work girls! The contest was sponsored by the Torrance Junior Chamber of Commerce and the girls attended a dinner

## Board Cancels Pharmacy Plans

Plans for a \$30,978 addition to the Harbor General Hospital Pharmacy were canceled this week by the board of supervisors. The change in plans was made because of the speed in which the plans for the new \$14 million hospital are proceeding, the board explained. Construction on the new facilities should start early in 1960, it was reported.
